

**STATEMENT OF CANDIDATE FOR  
ROCKLIN UNIFIED SCHOOL DISTRICT**

**Gregory J. Daley**

**Age:** 46

**Occupation:** Commercial Pilot

**Education and Qualifications:** As residents of Rocklin for the past 14 years, my wife and I have been actively involved in our two children's education. As the site council president for Twin Oaks Elementary School, I have had the opportunity to be involved first hand with the improvement process in insuring all students succeed. I have worked closely with teachers as a classroom volunteer and substitute teacher.

My work as a Rocklin Police Department volunteer has enabled me to understand the needs of a growing, diverse city and the important role that education plays.

My experience as an officer in the United States Air Force and an administrator of the cornerstone Command/Leadership/Resource Management course at a major airline have given me the skills of effective management, clear communication and practical decision making. These are essential for a successful school board member.

As a Rocklin School Board Member, I will represent our parents and community to insure we maintain high standards and expectations for our teachers and students. Good schools are crucial to a desirable, family-centered community. I will work to ensure that our schools remain of the highest quality to support student success and keep our community strong.
